THE PETITION:

Applicants hereby respectfully petition the Commissioner for Patents to:

- (1) Determine that the Updated Filing Receipt mailed September 24, 2002, Confirmation no. 3659, contained a statement "application placed under Secrecy Order;"
- (2) Determine that the statement quoted in item (1) above was in error due to a USPTO mistake;
- (3) Determine that the instant application was not placed under Secrecy Order and is not currently under Secrecy Order;
- (4) Determine that Applicants previous Petition Under 37 C.F.R. § 5.4 For Recission of Secrecy Order dated January 7, 2003, and accompanying Petition fee of \$130.00 were unnecessary and submitted on the good faith belief by Applicants that the instant application had been placed under Secrecy Order by the USPTO;
- (5) Determine that the Petition fee of \$130.00 referenced in Item (4) above should be refunded;
- (6) Refund the Petition fee referenced in Item (5) above to Applicants deposit account no. 23-0455;
- (7) Determine that the Updated Filing Receipt referenced in item (1) above should be corrected to delete the phrase "application placed under Secrecy Order;"; and
- (8) Issue a corrected Filing Receipt in accordance with item (7) above.

Applicants further respectfully request a refund of the instant petition fee by way of a credit to Applicants deposit account no. 23-0455 in anticipation that the instant Petition will be granted.
